## Managed Cloud Services Agreement

Demonstration only. Fictional companies and commercial terms. Not an executed agreement.

### 1. Parties and services

This fictional agreement is between Harborline Cloud Services LLC (Vendor) and Cedar Works Inc. (Customer). Vendor provides managed cloud monitoring and incident support.

### 2. Service fees

The annual service fee is USD 36,000, billed as twelve monthly installments of USD 3,000. The total fee for the initial twelve-month term is USD 36,000. Taxes are excluded.

### 3. Initial term

The initial term starts on November 1, 2025 and ends on October 31, 2026. The first renewal date is November 1, 2026.

### 4. Automatic renewal and notice

This agreement automatically renews for another twelve months unless Customer delivers written notice of non-renewal at least 30 calendar days before the renewal date. To prevent the November 1, 2026 renewal, Vendor must receive notice no later than October 2, 2026.

### 5. Renewed fees

The annual fee for a renewal term is USD 36,000 unless both parties sign a separate amendment. Monthly billing does not change the annual term or the notice deadline.
